The impressive and revolutionized Fountaine Pajot MY 37 is truly a feat of engineering with outstanding optimization of volume, luxury, and performance cruising. It combines the best of fuel consumption, exclusive structure, and outstanding live-aboard style. With its distinguished and practical design - this MY 37 is suited for luxury cruising and all-around comfort throughout the yacht. Key highlights of the MY 37 include:

The salon features panoramic wrap-around windows that extend nearly the full length of the cabin on both sides

16'8" beam allows plenty of stability and handles exceptionally well

*Custom option upgraded hardtop flybridge nearly as wide as the salon with wrap around seating on the port side

Stainless steel rails surrounding the catwalks and bow area

Ultra-wide aft sliding door entry

Galley equipped with a double sink, cooktop, oven, and cabinets

*Custom made salon table that converts to a day bed

*New custom made corean marbleized countertop

3 state cabins

2 heads

*Outdoor foredeck reclining sun pad cushions (Up to 8 people)

Ample storage in galley and staterooms for long term cruising

Designed to enjoy maximum space, natural light, and remarkable panoramic views throughout, this MY 37 boasts efficient diesel fuel consumption that allows astounding performance.
