Fresh water only

Specs:

Builder: **Silverton**

Hull Shape: **Modified Vee**

This cruiser is absolutely immaculate! Powered by 740HP Volvo diesels with approximately 900 hours and IPS transmissions (joystick control for easy dockage). The most prominent feature of the 43 Sport Bridge is her spaciousness, both above and below deck! She boasts one of the largest flybridges of any boat in her class. With her ample seating and wide foredeck, the spacious bridge provides all the room and comfort you will need to cruise and entertain in style. Silverton's sidewalk and a unique set of molded steps connecting the bridge to the foredeck makes access between the two both safe and convenient whether you're underway, anchored, or handling lines. Inside you will discover two private staterooms and two full heads with a standup shower, complimented by a plush salon finished in fine cherry wood and a full-amenity galley.

Holding Tanks: **(39 Gallons)**

Gallery

- The spacious U-Shaped galley is situated forward on the port side that includes a side-by-side refrigerator, roomy countertops, low-maintenance flooring, and plenty of storage including an undersole bin for stashing dry goods and, a large stainless steel sink. This sink is large enough to really be useful (pasta pot or can wash a large cutting board etc). Opposite the galley to starboard is a dinette with a handsome cherry table ringed with seating for 5.
- Princess 2 burner flat electric cooktop stove
- Microwave - Sharp Carousel Grill 2
- Separate refrigerator and freezer units built into cabinets by Norcold; freezer model RFS7501
- Large stainless steel sink
- Corian countertops
- Amtico wood floor

Master Stateroom and Head

Forward, the master stateroom offers a queen-size berth with innerspring mattress along with port and starboard hanging lockers. A noteworthy feature is the split-head arrangement allowing one person to shower while the other has unimpeded use of the sink

Guest Stateroom

Aft to starboard is a sunken guest stateroom with twin berths that easily convert to a queen

[2006 Silverton 43 Sport Bridge](#), Luxury Yachts Co

berth, good drawer and locker storage and opening portlight.

Flybridge

This flybridge covers nearly half of the boat's overall length. Included is an L-Shaped settee large enough for 8 adults plus 2 bucket seats at the helm and lounge to port. Facing the settee (just aft of the helm seats) is a wet bar with countertop just right for preparing beverages or serving snacks. Included on the bridge is a Nova Cool refrigerator with freezer, U-Line ice maker, central vacuum system, Sol 20" Flat Screen with BOSE Entertainment System HDMI - USB ports, and full zippered bridge enclosure with canvas bimini-top. There is also a sun pad located aft just behind the seating area and another on the foredeck easily reached via Silverton's trademark SideWalk on either side. The extended length of the flybridge provides complete cover to the cockpit making it a shaded respite on a hot, sunny day or a shelter from stormy weather.
